

SAFETY DATA SHEET CUSTOM WHEEL CLEANER

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

| | |
|-------------------------|-------------------------------------------------------------------------------|
| Product name | CUSTOM WHEEL CLEANER |
| Product number | CWC500, CWC500JAP, CWC500VW, CWC500CA, CWC500SW/F, CWC500AU, CWC001, CWC001AU |
| Internal identification | 18/LM40/290817 |
| UFI | UFI: S0C0-P003-800F-2RJM |

1.2. Relevant identified uses of the substance or mixture and uses advised against

| | |
|-----------------|-------------------------------------------|
| Identified uses | Detergent for use on motor vehicle wheels |
|-----------------|-------------------------------------------|

1.3. Details of the supplier of the safety data sheet

| | |
|----------|--------------------------------------------------------------------------------------------------------------------------------|
| Supplier | Autoglym Works Road Letchworth Herts SG6 1LU UK +44 (0)1462 677766 +44 (0)1462 677712 sds@autoglym.com |
|----------|--------------------------------------------------------------------------------------------------------------------------------|

1.4. Emergency telephone number

| | |
|---------------------|-----------------------------|
| Emergency telephone | +44 (0) 1462 489498 (24Hrs) |
|---------------------|-----------------------------|

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

Classification (EC 1272/2008)

| | |
|-----------------------|-------------------|
| Physical hazards | Not Classified |
| Health hazards | Eye Dam. 1 - H318 |
| Environmental hazards | Not Classified |

2.2. Label elements

Hazard pictograms

| | |
|-------------------|---------------------------------|
| Signal word | Danger |
| Hazard statements | H318 Causes serious eye damage. |

CUSTOM WHEEL CLEANER

| | |
|-----------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Precautionary statements | P102 Keep out of reach of children. P280 Wear eye and face protection. P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P310 Immediately call a POISON CENTER/ doctor. |
| Contains | Alcohols, C12-14, ethoxylated, sulfates, sodium salts, Alcohols, C6-12, ethoxylated |
| Detergent labelling | < 5% anionic surfactants, < 5% non-ionic surfactants |
| Supplementary precautionary statements | P501 Dispose of contents/ container in accordance with national regulations. |

2.3. Other hazards

SECTION 3: Composition/information on ingredients

3.2. Mixtures

| | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| Butoxypropan-1-ol CAS number: 29387-86-8 EC number: 249-598-7 | 1-5% |
| Classification Skin Irrit. 2 - H315 Eye Irrit. 2 - H319 | |
| Alcohols, C12-14, ethoxylated, sulfates, sodium salts CAS number: 68891-38-3 EC number: 500-234-8 REACH registration number: 01-2119488639-16-XXXX | 1-5% |
| Classification Skin Irrit. 2 - H315 Eye Dam. 1 - H318 Aquatic Chronic 3 - H412 | |
| Glycerine CAS number: 56-81-5 REACH registration number: 01-2119471987-18-XXXX | 1-5% |
| Classification Not Classified | |
| Alcohols, C6-12, ethoxylated CAS number: 68439-45-2 | 1-5% |
| Classification Acute Tox. 4 - H302 Eye Dam. 1 - H318 | |

The full text for all hazard statements is displayed in Section 16.

SECTION 4: First aid measures

4.1. Description of first aid measures

CUSTOM WHEEL CLEANER

| | |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Inhalation | Move affected person to fresh air and keep warm and at rest in a position comfortable for breathing. |
| Ingestion | IF SWALLOWED: Do not induce vomiting. Rinse mouth thoroughly with water. Give plenty of water to drink. Get medical attention. |
| Skin contact | After contact with skin, take off immediately all contaminated clothing, and wash immediately with plenty of water. Get medical attention if irritation persists after washing. |
| Eye contact | Rinse immediately with plenty of water. Continue to rinse for at least 15 minutes and get medical attention. Remove any contact lenses and open eyelids wide apart. Rinse with water. Get medical attention. |

4.2. Most important symptoms and effects, both acute and delayed

| | |
|--------------------|----------------------------------------------------------|
| Eye contact | Causes serious eye damage. Profuse watering of the eyes. |
|--------------------|----------------------------------------------------------|

4.3. Indication of any immediate medical attention and special treatment needed

| | |
|-----------------------------|------------------------------|
| Notes for the doctor | No specific recommendations. |
|-----------------------------|------------------------------|

SECTION 5: Firefighting measures

5.1. Extinguishing media

| | |
|-------------------------------------|-----------------------------------------------------------------------------------------------|
| Suitable extinguishing media | The product is not flammable. Use fire-extinguishing media suitable for the surrounding fire. |
|-------------------------------------|-----------------------------------------------------------------------------------------------|

5.2. Special hazards arising from the substance or mixture

| | |
|--------------------------------------|-------------------|
| Hazardous combustion products | Oxides of carbon. |
|--------------------------------------|-------------------|

5.3. Advice for firefighters

| | |
|------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| Special protective equipment for firefighters | Wear positive-pressure self-contained breathing apparatus (SCBA) and appropriate protective clothing. |
|------------------------------------------------------|-------------------------------------------------------------------------------------------------------|

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

| | |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Personal precautions | Follow precautions for safe handling described in this safety data sheet. Take precautionary measures against static discharges. Provide adequate ventilation. |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|

6.2. Environmental precautions

| | |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Environmental precautions | Spillages or uncontrolled discharges into watercourses must be reported immediately to the Environmental Agency or other appropriate regulatory body. Avoid discharge into drains or watercourses or onto the ground. |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

6.3. Methods and material for containment and cleaning up

| | |
|--------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Methods for cleaning up | Absorb spillage with inert, damp, non-combustible material. Flush contaminated area with plenty of water. Collect and place in suitable waste disposal containers and seal securely. Dispose of contents/container in accordance with local regulations. |
|--------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

6.4. Reference to other sections

| | |
|------------------------------------|-------------------------------------------------------------------------------|
| Reference to other sections | Wear protective clothing as described in Section 8 of this safety data sheet. |
|------------------------------------|-------------------------------------------------------------------------------|

SECTION 7: Handling and storage

7.1. Precautions for safe handling

| | |
|-----------------------------------------------|------------------------------------------------------------------------------|
| Usage precautions | Avoid contact with skin and eyes. |
| Advice on general occupational hygiene | When using do not eat, drink or smoke. Wash hands thoroughly after handling. |

CUSTOM WHEEL CLEANER

7.2. Conditions for safe storage, including any incompatibilities

Storage precautions Store in tightly-closed, original container in a dry, cool and well-ventilated place. Keep only in the original container.

7.3. Specific end use(s)

Specific end use(s) The identified uses for this product are detailed in Section 1.2.

SECTION 8: Exposure controls/Personal protection

8.1. Control parameters

Occupational exposure limits

Glycerine

Long-term exposure limit (8-hour TWA): WEL 10 mg/m³ mist

WEL = Workplace Exposure Limit.

8.2. Exposure controls

Protective equipment

Appropriate engineering controls

Provide adequate ventilation.

Eye/face protection

Wear eye protection. EN 166:2001

Hand protection

Wear protective gloves made of the following material: Nitrile rubber. The breakthrough time for any glove material may be different for different glove manufacturers.

Hygiene measures

Wash at the end of each work shift and before eating, smoking and using the toilet.

Respiratory protection

Respiratory protection not required.

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

| | |
|-----------------------------------------------------|----------------------------------|
| Appearance | Clear liquid. |
| Colour | Colourless. |
| Odour | Detergent. |
| Odour threshold | No information available. |
| pH | pH (concentrated solution): 12.7 |
| Melting point | No information available. |
| Initial boiling point and range | 100°C |
| Flash point | Not applicable. |
| Evaporation rate | No information available. |
| Evaporation factor | No information available. |
| Upper/lower flammability or explosive limits | No information available. |
| Vapour pressure | No information available. |
| Vapour density | No information available. |

CUSTOM WHEEL CLEANER

| | |
|----------------------------------|---------------------------|
| Relative density | ~ 1.02 |
| Bulk density | No information available. |
| Solubility(ies) | Miscible with water. |
| Partition coefficient | No information available. |
| Auto-ignition temperature | No information available. |
| Decomposition Temperature | No information available. |
| Viscosity | No information available. |
| Explosive properties | No information available. |

9.2. Other information

SECTION 10: Stability and reactivity

10.1. Reactivity

| | |
|-------------------|---------------------------------------------------------------------|
| Reactivity | There are no known reactivity hazards associated with this product. |
|-------------------|---------------------------------------------------------------------|

10.2. Chemical stability

| | |
|------------------|---------------------------------------------------------------------|
| Stability | Stable at normal ambient temperatures and when used as recommended. |
|------------------|---------------------------------------------------------------------|

10.3. Possibility of hazardous reactions

| | |
|-------------------------------------------|-------------------------------------------|
| Possibility of hazardous reactions | No potentially hazardous reactions known. |
|-------------------------------------------|-------------------------------------------|

10.4. Conditions to avoid

| | |
|----------------------------|--------------------------------------------------------------------------|
| Conditions to avoid | No specific requirements are anticipated under normal conditions of use. |
|----------------------------|--------------------------------------------------------------------------|

10.5. Incompatible materials

| | |
|---------------------------|---------------------------------------------------------------------------|
| Materials to avoid | Avoid contact with the following materials: Strong acids. Strong alkalis. |
|---------------------------|---------------------------------------------------------------------------|

10.6. Hazardous decomposition products

| | |
|-----------------------------------------|------------|
| Hazardous decomposition products | Not known. |
|-----------------------------------------|------------|

SECTION 11: Toxicological information

11.1. Information on toxicological effects

Acute toxicity - oral

| | |
|-------------------------|-----------|
| ATE oral (mg/kg) | 30,959.75 |
|-------------------------|-----------|

Serious eye damage/irritation

| | |
|--------------------------------------|----------------------------|
| Serious eye damage/irritation | Causes serious eye damage. |
|--------------------------------------|----------------------------|

SECTION 12: Ecological information

| | |
|--------------------|-----------------------------------------------------------------|
| Ecotoxicity | The product is not expected to be hazardous to the environment. |
|--------------------|-----------------------------------------------------------------|

12.1. Toxicity

| | |
|-----------------|-----------------------------------------------------------------|
| Toxicity | The product is not expected to be hazardous to the environment. |
|-----------------|-----------------------------------------------------------------|

12.2. Persistence and degradability

| | |
|--------------------------------------|---------------------------------------|
| Persistence and degradability | The product is readily biodegradable. |
|--------------------------------------|---------------------------------------|

12.3. Bioaccumulative potential

CUSTOM WHEEL CLEANER

| | |
|----------------------------------|---------------------------|
| Bioaccumulative potential | Not determined. |
| Partition coefficient | No information available. |

12.4. Mobility in soil

12.5. Results of PBT and vPvB assessment

| | |
|-------------------------------------------|-------------------------------------------------------------------------|
| Results of PBT and vPvB assessment | This product does not contain any substances classified as PBT or vPvB. |
|-------------------------------------------|-------------------------------------------------------------------------|

12.6. Other adverse effects

SECTION 13: Disposal considerations

13.1. Waste treatment methods

| | |
|-------------------------|---------------------------------------------------------------------|
| Disposal methods | Dispose of contents/container in accordance with local regulations. |
|-------------------------|---------------------------------------------------------------------|

SECTION 14: Transport information

| | |
|----------------|--------------------------------------------------------------------------------------------------------------------|
| General | The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, ADR/RID). |
|----------------|--------------------------------------------------------------------------------------------------------------------|

14.1. UN number

Not applicable.

14.2. UN proper shipping name

Not applicable.

14.3. Transport hazard class(es)

No transport warning sign required.

14.4. Packing group

Not applicable.

14.5. Environmental hazards

Environmentally hazardous substance/marine pollutant

No.

14.6. Special precautions for user

Not applicable.

14.7. Transport in bulk according to Annex II of MARPOL and the IBC Code

| | |
|---------------------------------------------------------------------------------|-----------------|
| Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code | Not applicable. |
|---------------------------------------------------------------------------------|-----------------|

SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EU legislation | Regulation (EC) No 1272/2008 of the European Parliament and of the Council of 16 December 2008 on classification, labelling and packaging of substances and mixtures (as amended). Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) (as amended). |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

15.2. Chemical safety assessment

CUSTOM WHEEL CLEANER

SECTION 16: Other information

| | |
|---------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Revision comments | NOTE: Lines within the margin indicate significant changes from the previous revision. |
| Revision date | 01/05/2019 |
| Revision | 5 |
| SDS number | 21716 |
| Hazard statements in full | H302 Harmful if swallowed. H315 Causes skin irritation. H318 Causes serious eye damage. H319 Causes serious eye irritation. H412 Harmful to aquatic life with long lasting effects. |
| Signature | Daniel Higgs |

This information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process. Such information is, to the best of the company's knowledge and belief, accurate and reliable as of the date indicated. However, no warranty, guarantee or representation is made to its accuracy, reliability or completeness. It is the user's responsibility to satisfy himself as to the suitability of such information for his own particular use.
